Tournament director: Don White University at Buffalo senior sprinter Jake Tarabas (3,600 meters), STAMFORD, Conn. — The road to the U.S. Championships will be no pushover for the Buffalo men's and women's track and field teams. Seven newcomers, including six freshmen, will join the Bulls' program for the first time at the championships, which start Saturday. The team's core, however, returns among the nation's top runners. Men's: The top three runners in the men's 55-meter dash — No. 6 Jake Tarabas, No. 8 Julian Fields, and No. 15 Trey McCullers — all ran for Buffalo, which finished second in this event last year. Eight of the top 10 finishers last year in the 60-meter sprint are back. "The lineup will really let us play to our strengths," coach Mark Motta said. "We should be in the mix for a couple of national championships." The co-nationals are Saturday, and the Big East meet is Tuesday, and Friday. "We have no illusions," Motta said. "We have to run well to be in the mix." The Bears (10-2-1) are in the race for second. Since 2009, all 10 Big East teams have made the NCAAs. The teams usually break into two groups and race for the top four spots. Eastern Kentucky is third. "It will be interesting to see what they
